BNL TO OBSERVE HOLIDAY FRIDAY

The People's National Bank will maintain the same hours on Thursday, July 2, that they normally maintain on Fridays. Checks for weekly-paid employees will be distributed at the same hours and the same places as on Fridays.

The People's National Bank will also be open on July 3, from 10:00 a.m. to 3:00 p.m.

NEW ROAD UNDER CONSTRUCTION

You have probably noticed the road construction that is going on beyond the north and south gates. This is the section of William Floyd Parkway which, when completed sometime around June, 1960, will connect Route 25 on the north with Smith Point Bridge (Shirley), and will border the Labo-

ratory's west property line. A connecting access road is proposed that would start at Upton Road, about 200 feet north of the traffic light at Princeton and Upton Roads. At this point, there would be a traffic circle, and the road would then run in a westerly direction, generally along the path of Princeton Avenue, to the location of the present West Gate.

FIRST SUMMER FILM ON JULY 6

Nine films have been booked for BNL cinemaddicts with the first to be shown on Monday evening, July 6. All films will be screened in the Lecture Hall.

The first of these distinguished masterpieces is composed of a brilliant group of four vignettes of Italian life with the scenes set in the old section of Naples.

Two Latin lovelies, S. Loren and S. Mangano take the feminine leads with the old pros Toto and V. DeSica in the male roles.

The wry, captivating tales are redolently Neopolitan: the serio-comic "The Racketeer" (tour de farce by Toto); the hilarious "Pizza on Credit", in which De Sica directed Sophia Loren so well that she is nothing short of magnificent (I doubt it); the bittersweet "The Gambler", in which De Sica plays with a small boy who is an unbeatable card shark but is bored with the game; the poignant "Theresa" in which Silvana Mangano gives her best performance to date as a prostitute who is party to a strange marriage. There you have it - straight out of the film catalogue.

Come and see "The Gold of Naples" on Monday evening at eight o'clock in the Lecture Hall. Admission 75 cents.

The remainder of the summer fare will consist of THE COLDITZ STORY (English); I AM A CAMERA (English); CAST A DARK SHADOW (English); THE CONFESIONS OF FELIX KRULL (German); WEE GEORDIE (English); THE GRASSHOPPER (Russian); THE STORM WITHIN (French); THE GREEN MAN (English).
